

5 JESUS COOKS FISH ON THE BEACH

COLORING IN BOOK SERIES

"I'm going fishing." Peter said.

"Me too!" John shouted.

"Wait for me!" James joined in too.

Soon there were 7 of Jesus friends
all going down to Lake Tiberias
where the boats were kept.

They were all fishermen before they decided to follow Jesus.
He told them to go to Galilee where they would see Him again.

Lake Tiberias was close by.

They were all still so amazed that Jesus came alive
again after He died.

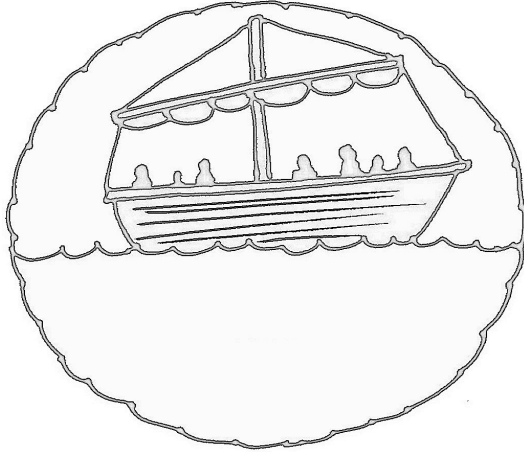

He had already appeared to them a few times.

Now they were hoping to see Him again.

They got into their boat and rowed out onto the lake.

It was already
late in the
afternoon
but it didn't
worry them.
They were used
to fishing all
night.

In those days they didn't use fishing rods to catch fish.

They caught fish in a different way.

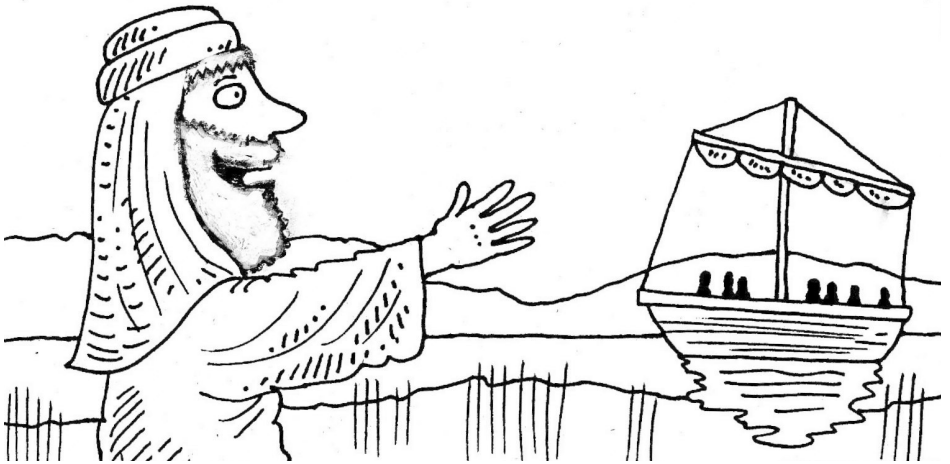

They threw a big net into the water
and then pulled the net back onto the
boat with some fish in the net.

This time they fished right through the night
but they didn't catch anything.

As the sun came up the next morning, t
hey saw man standing on the shore.
They were not far from the shore.

It was Jesus!
But they didn't know that it was Him!

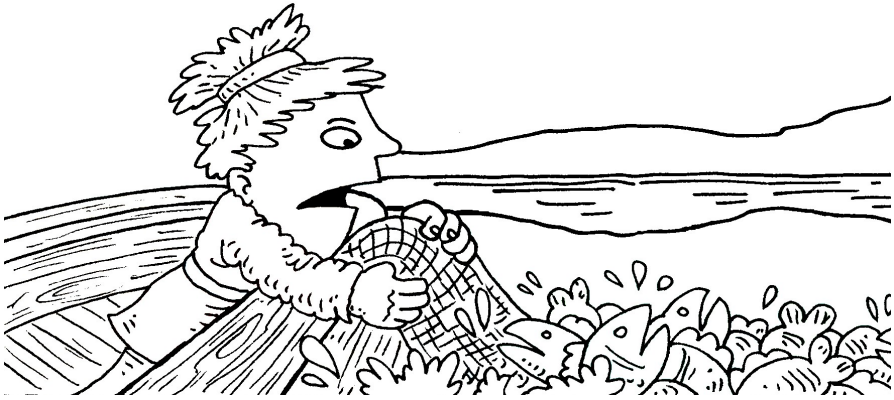

"Did you catch anything?" Jesus called out to them.

"No! Nothing!" they called back to him.

"Throw your net into the water on the right side
of the boat." Jesus told them.

They did that and then caught such a lot of
fish that they couldn't even drag the net
with the fish in,
onto the boat!

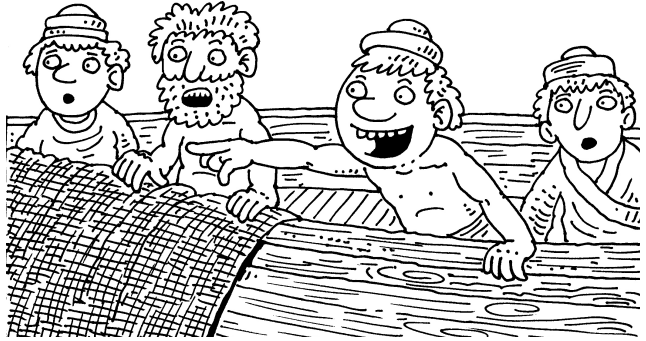

Oh, they were so happy!

They were also hungry and now
they could cook some fresh fish
for breakfast!

All of a sudden John realized that it's
Jesus who was standing on the shore!

"Peter, Peter,
look!
It's
Jesus!"

Peter was
so happy !
He quickly
put his shirt on
and
j umped into
the water.

He ran through the shallow water to meet Jesus!

The others stayed in the boat.

They dragged in the net filled with fish.

It was only when they all got off the boat that they
saw the fire that Jesus made.

He had already cooked some fish and bread on the
fire especially for them! It smelled delicious!

"Bring some of your fish to cook on the fire too."

Jesus said with a big smile.

Then He gave them all some fish and bread to eat.

That breakfast was very special, They never forgot it.

It wasn't only because they were hungry but also
because they were together with Jesus again.
