

Chase Fox's Testimony

My name is Chase Fox and I am a recovering sex addict. The life I was living back then was perfect in other people's eyes but through my eyes I was lost and confused, wanting to cry out for help, but my voice was lost as well.

Most of my life I always had everything handed to me, my parents always made sure I was happy and healthy, me being the youngest of three kids, but even though they always struggled with money and bills, they always made do with what little income they had.

Through my eyes I didn't need friends when I could keep myself entertained with TV, video games, toys etc. Little did I know this would affect me later in life by leaving me shy around my peers, unable to make friends and learn skills I needed to cope with life while growing up.

Around age 9 I was sexually molested by my friend's step brother a few times, leaving me confused in my teenage years, was I gay or not and why me?

I was 11 years old when a friend and I got into porn on the computer and ended up experimenting with one another till I was 17.

At that time my religious status was nonexistent, most of my family is Mormon but I didn't know God or Jesus Christ. Most of my time was staying at home; I dropped out of 7th grade and mainly hung around family members, my best friend was lost in his own life and we grew apart in the end.

All I had left seemed to be my porn addiction and by then I knew I was gay, just in the closet. My addiction over time, lead me to talking with guys on the net, asking me for sex and trying new things with them, I was 17 then. I was introduced to child porn then and my curiosity got my better judgment to where it took me spiraling down into a deep depression and separation from my family and life.

About a year and a half in I ended up going to therapy treatment and to jail for 60 days. After I got out I was working part time and going back to therapy. A year and a half in to therapy I relapsed and ended up in my old habits with consequences of

hurting a cousin in my family. In 2012 I was sentenced to 25 years in prison and lost my family, friends, and my whole life.

Since then my life has changed big time, I am in Tucson F.C.I. with hope in my eyes for my future. I've got most of my family and friends for support. I'm 24 this October and finally I got my GED, working in the kitchen, doing arts and crafts, programming, met some great people to interact with, found out my Native Heritage is Cherokee, "I'm mostly white though", got an awesome Native brother for a best friend; Randy. I attended the sweat lodge with my brothers and most importantly found my faith in Jesus Christ my Savior, my love in the creator's light.

I have hope in myself to become the man God imagined me to be, with his trust and love I can move on from my past, make a difference to those in and around my life by being living proof that I have changed and cast out my addiction to crush it under my feet, walking away to look down my path in life and see the Lord's light.

If I can do it, so can you by remembering to trust in the Lord and always keep his word hidden within your heart. With God anything is possible when you believe in Him, one body of Christ, one Nation. Praise to God. My favorite scriptures are: Psalm 6, Ecclesiastes 5:9-12, and Matthew 18:21-35.

I hope this testimony has been a blessing to you. REBELLION HAS A PENALTY!

There are wages paid for indulging in sin! In Romans Chapter one, God warns us that persons who commit homosexuality will receive a penalty which is "PAID WITHIN THEIR OWN SOULS". "And the men, instead of having normal sex relationship with women, burned with lust for each other, men doing shameful things with other men and as a result getting paid within their own souls with the penalty they so richly deserved", Romans 1:27, The living Bible.

It is clear that God considers sex between two men to be not only UNNATURAL, but also SHAMEFUL! So what is the penalty that takes place within the person that participates in homosexuality?

THE PENALTEIS:

1. BURNING LUSTS---once a craving for gay sex or emotional involvements has been born in a person through indulging in homosexual relations, strong desires are created that cannot be satisfied.
2. UNBRIDLE BEHAVIOR---Romans 1:23 TLB, says that God gives those who participate in homosexual sin to "doing everything their evil minds can think of". Sexual acts once considered unthinkable become sordidly attractive.
3. DELUSION----Those who reject or suppress the truth in their lives find themselves swept into a life style characterized by a frantic flight from reality. Because they "refused to love the truth...God sends them a strong delusion so they will believe the lie." (II

Thessalonians 2:10,11; NIV) As the natural functions of the conscience is denied the conscience becomes “seared as with a hot iron” (I Timothy 4:2; NIV)

As a result, SIN NO LONGER SEEMS SINFUL and SEX BETWEEN TWO MEN NO LONGER SEEMS SHAMEFUL. Instead of being considered perverse, the gay life style is defended as natural: instead of being recognized as an abomination before God, homosexuality is advocated as God ordained. Cloaked in a guise of spirituality, such people promise “freedom”, while they themselves are slaves of depravity.” They have received the penalty within themselves...DELUSION.

4 . MENTAL AND EMOTIONAL DISINTEGRATION---For those who continue in the gay life style, an insidious declension sets in. The social game playing which is a part of the homosexual world leads to individual confusion and loss of identity. Physical attraction becomes an obsession and fear of growing old and being alone loom as a horror on the horizon. Drugs and alcohol are used to deaden the pain but only heighten the depression and suicide becomes common.

Homosexuality is devastating to the mind and the emotions. It disintegrates the personality and DESTROYS THE SOUL. The destruction to the soul of those who continue in homosexuality is subtle and insidious! Like an internal cancer—it consumes the person from within. The outward signs may be minimal, but the Bible states that the homosexual receives IN HIMSELF THE DUE PENALTY for his perversion.

The sad note to the gay life is that SIN takes its toll. As a result of disobedience, God allows homosexuals to become deluded into denying their defects while they come to believe that everything is OK.

Are you a member of the “gay” scene?

Do you know the despair of homosexuality?

Ask God to search your way of life and be honest enough to look as what He reveals. Jesus can sympathize with your hurts because in love He paid the penalty for your rebellion by His death on the Cross. Will you accept His payment for YOU? Will you accept Jesus Christ as both Lord and Saviour? He can change you to be like Him.

“Search me, O God, and know my heart; test my thoughts. Point out anything you find in me that makes

you sad, and lead me along the path of everlasting life.” Psalms 139:23-24.

Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.” Jesus Christ (John 14:6). “But as many as received Him, to them gave He power to become sons of God..... “ John 1:12.

MY PERSONAL STORY OF HOW JESUS SET ME FREE By Jerry Weeks

Jesus expressed His love to me some years ago when He saved me from a lifestyle of homosexuality. After spending ten years in “gay” life, I experienced a real hunger for a love I never had in the gay life. I was deceived to think that each new lover would be the love that I so desperately needed. One bright day, Jesus opened my eyes to His great love that penetrated deep down into my spirit and gave to me the very thing for which I was searching, I was always looking but did not understand that the love of God was what I really yearned to have.

After receiving the love of God, my self-centered ways deluded me into thinking that I could hang onto my homosexuality and that God would bless it. Instead of repentance and hating sin, I used the grace of God as a license to continue to sin. I turned from my walk with the true God and returned to the “gay” life and tried the new “gay theology” that says that you can be gay and a happy Christian. In my delusion, I imagined God made me gay. With this deception, I tried to have a gay Christian love that only ended in despair and separation from the fellowship of truly loving Jesus. In the darkness of my delusion and the pain of departing from God’s truth, I cried in agony to a Holy God. Again He showed me His great love.

God caused me to realize that homosexual love is a perversion and that God’s redeeming love can transform a person from the bondage of homosexuality.

Jesus has warned us of false Christ’s. The false christ that tells people that being gay comes from God I really the Devil masquerading as an angel of light. Dear gay person, ask God for repentance that you might come to know the true and Holy Jesus and the Father of our Lord Jesus Christ.

Here is the way to receive Jesus Christ. PRAY:

Lord Jesus, forgive me all my sins. I turn from my selfish ways to seek your way for my life. I believe that you died, rose from the dead and live today. Come into my heart now and take your place as Lord of my life.

I believe you have heard my prayer and saved my soul as you promised. Thank you for giving me your eternal life. Amen.

If you have accepted Christ, new life has just begun in your heart. You don’t have to feel anything—it’s an absolute Bible fact. Write and let us know Bro. Otto Ball
