## Gives Testimony To His Life Conversion

I was born in a small town in upstate New York. But at the age of 3 years old my family moved to W.P.B. FL. Where I never fit in with others for as long as I could remember. School, friends and people were never for me because I was a loner....

I found myself in S.L.D. classes just looking for away out and I found that in a love for dirt bike riding pws. I found that I was good at it and it was only me on that bike until at the age of 17 years old where I got hurt bad and my father said that's it...I then found myself put into today's work world with no known way to make it.

Then I found drugs and I thought I found my next love and prison time some how came along with it. I was lost for a lot of years until I found Jesus at the age of 39 years old where a friend showed me (John 3:16) since that day Jesus opened that door to me. My life has been a lot clearer to me since then.

Jesus has showed me the man I was, he showed me I don't ever have to make a call in my life without him and he has showed me I never have to be alone again and I've been transformed into a new creation (2Cor 5:17).

Now today I live for the Lord and sleep good now here in prison because I know if I don't get up in the morning hour I know I'm going home.

On November 23<sup>rd</sup> I'll be 41 years old and I can't wait to get out to even live more for our Father. Yes I know that there is more in line for me other than prison. I do all that I am able to here to push the Love on to others, but most are lost around me, but I'll still do my job for the Lord.....

I hope this testimony has been a blessing to you. If you would like to read how others in similar situations have experienced the life transforming power of God please write to me at the address below. We now have over 30 testimonies of those whose lives have been transformed by God's amazing Grace. Please send us your testimony as well. We would also like artwork and poetry to use in this ministry.

The Roman Road

I had a pretty good opinion of myself until a friend invited me to take a walk down the Roman Road. He used a single book in the Bible to open my eyes to my relationship with God, and I haven't been the same since.

He warned me that the trip might hurt, and he was right because he started by revealing my real status before God.

For all have sinned, and come short of the glory of God ...  
Romans 3:23.

Then I learned of sin's penalty.  
For the wages of sin is death  
...Romans 6:23a

He went on to tell me that God loves me so much he offers an alternative called "Eternal Life" ...but the gift of God is eternal life through Jesus Christ ... Romans 6:23b.

Then he showed me how God provided his son Jesus as a atoning Sacrifice for my sin. Jesus took my penalty! But God commendeth his love toward us, in that while we were yet sinners, Christ died for us. Romans 5:8.

I wondered if God would accept me. He assured me with even more good news. For whosoever shall call upon the name of the Lord shall be saved... Romans 10:13.

My friend showed me what I should do to receive Eternal Life. That if thou confess with thy mouth the Lord Jesus, and believe in thine heart that God raise him from the dead, thou shall be save ... Romans 10:9 We prayed together, and I gladly accepted God's gift of Eternal Life through Jesus Christ.
